The Broaster Express Branded Food Program is a complete branded program that delivers all these benefits to your operation:

- A full line of top-quality, frozen, ready-to-cook Broaster Foods
- A choice of efficient Broaster Ventless Countertop Fryers or Broaster Pressure Fryers
- High-quality cooking oil
- A full line of branded packaging supplies
- A wide variety of branded point-of-sale and promotional items
- National Branding
- On-site foodservice and equipment training
- Ongoing local distributor support and operations assistance
- Store locator and website support

All with no franchise, royalty or licensing fees. You control and keep your profits.

Exciting Variety and Mass Appeal

Top-Quality Broaster Foods®

Our easy-to-use pressure fryers or ventless fryers are only the beginning. With each delicious selection of Broaster Foods you add, your profitability potential multiplies. Each is made of the highest-quality ingredients, breaded and ready to cook – for a taste so distinctive customers will say, “Food this good has gotta be from Broaster Company.”

With Broaster Foods, you get all of our popular seasonings, coatings and flavorful marinades in a full-line of popular grab ‘n’ go foods: chicken tenders, popcorn chicken, chicken wings, seafood, potatoes, cheese curds, cheese sticks, breakfast items and more. Offer them for breakfast, lunch and dinner, or as appetizers and snacks. They’re ideal for today’s busy customer.

With the Broaster Express® Branded Food Program, you’ll add all the quality and flavor of Broaster Foods to your menu without adding a lot of work. And because they come frozen and ready-to-cook, you control costs by preparing only the portions customers want. So you profit by the plateful.

Equipment That's Best For Your Business

Broaster® Ventless Countertop Fryers & Broaster Pressure Fryers

Preparing a variety of delicious Broaster Foods® is easy with the line of proprietary fryers manufactured by the Broaster Company. From compact to full-size, there's the perfect fryer to fit your operation's needs.

Broaster Ventless Countertop Fryers

Our Ventless Countertop Fryers combine small footprints with compact designs to allow these convenient fryers to fit on virtually any countertop. They're perfect to prepare all ready-to-cook Broaster Foods where only limited space is available. Operation is simple – no cooking experience is necessary. It's as easy as ready ... set ... cook.

Broaster Pressure Fryers

For larger operations, our amazingly efficient Broaster Pressure Fryers not only prepare our ready-to-cook Broaster Foods, but they are the only equipment approved to produce Genuine Broaster Chicken®.

* Chicken products are premarinated and breaded using only the finest Broaster Foods ingredients. All products are individually quick frozen and uncooked (cheddar nuggets have been par-fried).

** Suggested settings for pressure fryers—actual cook time and temperatures may vary depending on product's internal temperature before cooking.

*** Pork and beef frankfurter wrapped in delicious cornmeal batter—should be thawed under refrigeration for 12 hours prior to cooking.

**** 8 pc cut breaded marinated chicken cook time is for pressure fryers only; Ventless Fryer application not applicable.

Take the Express to Success. Bring your customers the tastes they'll be back for again and again. Our delicious grab 'n' go foods and our proprietary compact countertop fryers or our full-size pressure fryers allow virtually any type of business to prepare high-profit food favorites with a minimal investment in space, time and money.
